200 Block of State Street Jonesboro, Arkansas

March 7, 2018: Habitat for Humanity of Greater Jonesboro is hosting a groundbreaking for the Build Up for Phillip project that was launched in January of this year. Build Up for Phillip is a new fundraising project that has been organized to honor the late Phillip Evans of Jonesboro. Phillip lived to help others both at home and abroad. He loved to build, so his family and friends are coming together to raise funds to support Habitat for Humanity.

The project goal is to raise \$325,000.00 to sponsor nine new single family homes and construct a pocket park for the community. The homes will be constructed by Habitat for Humanity through our homeownership program and serve nine families in need.

The groundbreaking is scheduled for March 12, 2018, at 4:30 P.M on the 200 Block of State Street, Jonesboro, Arkansas. Habitat supporters, volunteers, and the community are invited to attend. Construction on the first home for this project will begin around May 2018.
